

Copper Creek Approved Paint Palette

In deciding on a new paint palette for the Copper Creek Community, the Paint Committee wanted to give the individual owner an opportunity to have an individual look and at the same time, enrich the look of the neighborhood.

A broad spectrum of Benjamin Moore paints was selected for their richness of color. Benjamin Moore paint is sold at Ace Hardware, however the colors may be color matched at other stores. There are three colors on a sample card. A single color or two on the same card may be used without review. The Architectural Committee will need to review any other combination. The colors are listed here; however, the samples have been removed from the website, as they did not represent the true colors. To check out the samples call:

Stratford Management—822-8051
Mark Plat—797-2624
Nan Farquhar—544-4455

At the time of your decision (even if you are just using one color), please submit your color choice(s) on an ARC submittal form (enclosed) to the Stratford Management for your file. Forms may be emailed to sarah@stratfordmanagement.org, faxed to 822-8085, or sent to P.O. Box 40790, Tucson, 85717.

Please know that this process does not apply to perimeter walls. Exterior yard walls should remain Travertine, unless a submittal to paint a wall to match the house color is reviewed and approved by the Architectural Review Committee.

Approved Paint Color Combinations: (Name and number by Benjamin Moore)

<i>Name</i>	<i>Number</i>	<i>Name</i>	<i>Number</i>
